

# ALPI bespoke

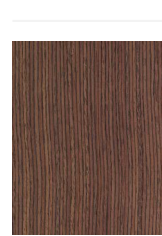

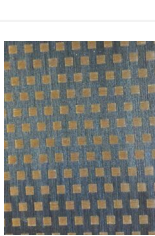

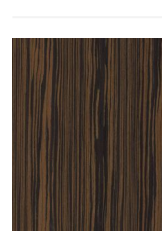

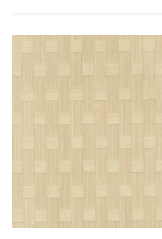

Articles are bespoke items and out of collections.

NB! The size of the article is indicative and ranges from: length 2540 - 3180mm x width 260 - 750mm.

The standard dimensions of the ALPI veneer are described in the product details.

The order may contain 10-15% narrower sheets.

The size of each new batch is different.

|                                                                                     |                                                                                                                                       |                                                                                     |                                                                                                                                      |
